Thriving at home with Landis at Home!

Every day since 2007, Landis at Home team members have provided care for people who want to thrive at home. We employ Registered Nurses who oversee the care of all our clients and supervise all of our caregivers. All of our team members are insured, bonded, carefully screened and receive hours of training each year.

Our long-term employees and low turnover rates help ensure consistent, dedicated team members that provide you with the care you deserve allowing you to thrive where you want to live! We provide home care in Lancaster County and can serve in private homes, assisted living or personal care settings and even skilled nursing and hospice locations.

Landis at Home is a not-for-profit, Pennsylvania licensed home care agency, owned and operated by Landis Communities who serves more than 1,500 people across Lancaster County.

WHAT GUIDES US

Most people plan to stay in their home for as long as they can. To do that and live life to the fullest, sometimes assistance is needed. Our mission of “providing peace of mind for aging adults and their families through compassionate, trusted service in the comfort of their home,” is lived out each day by the Landis at Home team.

WHAT WE DO

We listen. Our goal is to provide highly personal and individualized care in your home. Landis at Home will work closely with you to design a customized plan of care – under the direction and supervision of a Registered Nurse. Our attention to detail and desire to serve with a commitment to compassionate care allows you to experience life lived well at home.
